CV

Name: **Kazimierz NIKODEM**

Date and place of birth: February 03, 1953, Będzin (Poland).

Marital and family status: married; two children (born in 1979 and 1983).

Degrees: M.Sc. in Mathematics, 1977, Silesian University, Katowice;
　　　　　　 Ph.D. in Mathematics, 1981, Silesian University, Katowice;
　　　　　　 Habilitation in Mathematics, 1991, Polish Academy of Sciences, Warsaw;
　　　　　　 Title of Professor , 2001, Warsaw.

Current position: Full Professor, University of Bielsko-Biala.

　　　　　　　　Head of the Department of Mathematics, University of Bielsko-Biala;

　　　　　　　　V-Rector for Science and Finance, University of Bielsko-Biala

Research fields : Convex analysis, functional equations and inequalities, set-valued functions.

Professional experience:

- over 80 publications (as author or co-author) in mathematical journals (among others in: Aequationes Math., C.R. Math. Rep. Acad. Sci. Canada, Czechoslovak Math. J., Discrete Math., J. Convex Anal., J. Math. Anal. Appl., Math. Inequal. Appl., Proc. Amer. Math. Soc., Publ. Math. Debrecen, Results Math., Studia Math.);

- joint papers with many mathematicians (in particular with: A. Azocar, M. Balaj, K. Baron, E. Behrends, W. Förg-Rob, R. Ger, A. Gilányi, G. Kassay, Gy. Maksa, J. Matkowski, N. Merentes, M. Moslehian, C.T. Ng, F. Papalini, D. Popa, T. Rajba, T. Riedel, P. Sahoo, Sz. Wąsowicz, B. Xu, W. Zhang);

- talks on over 90 international symposia and conferences in Polana and abroad (Austria, Brasil, Canada, Croatia, Czech Republic, Denmark, England, France, Germany, Great Britain, Hungary, Iran, Italy, Romania, Slovakia, Spain, Sweden, Taiwan, USA, Venezuela);
- visiting professor at the universities in: Waterloo (1988), Perugia (1992,1993), Caracas (1996, 2006, 2010, 2011, 2014, 2015), Sankt Petersburg (1997), Debrecen (1997, 2002, 2005, 2008, 2010, 2014), Innsbruck (1998), Cluj-Napoca (2000), Chengdu (2000, 2006), Oradea (2005), Louisville (2006).

- supervisor of 3 Ph.D. dissertations;

- reviewer for several mathematical journals;

- reviewer for Mathematical Reviews and Zentralblatt für Mathematik.

Teaching experience: Lectures on mathematical analysis, algebra, differential equations, calculus of probability;
　　　　　　　　　　　Lectures on mathematics for engineering and management students.

Professional memberships: Polish Association of Mathematicians (since 1978);
　　　　　　　　　　　　　American Mathematical Society (since 1984).
